REGISTRATION 8:30-9:15AM AUDITION 9:30-12:20PM

JODI PECK CENTER | 504 W. NATIONAL AVENUE, MILWAUKEE, WI 53204

AUDITIONS ARE OPEN TO FULLY REGISTERED MBSA STUDENTS, BOYS AND GIRLS, IN BALLET I OR HIGHER AND ARE NO TALLER THAN 5 FEET.

PRIOR TO THE AUDITION, AUDITIONEES MUST:

- Be fully registered students of MBSA as of Monday, April 1, 2019
- Be able to commit to the full rehearsal and performance schedule as posted. Rehearsal absences will only be accepted if documented on the audition form or in an emergency.
- Exact measurements will be taken by the wardrobe staff the day of the audition. Those not meeting the posted requirements will be turned away at the audition. Measurement by the wardrobe staff is final and may not be disputed.
- Complete the registration form and bring it to the audition.
- Arrive for their audition at the start of the registration time. Arriving too early does not provide any advantage, only a lot of waiting for the students. No late admissions will be allowed after the registration period ends.

AT THE AUDITION, AUDITIONEES MUST:

- Wear ballet class uniform.
- Wait quietly in Studio B after being measured and registering. Conduct during this time is part of the audition.
- Place the audition number you receive upon registration on your leotard, just above your navel.
- Family and friends are welcome to drop their student off and pick them up at the end of their audition time or should wait in the second floor viewing lounge. Only auditioning students are allowed on the first floor.
- **BE CONFIDENT, PROUD, AND SHOW YOUR BEST!!**

AFTER THE AUDITION:

- Each student auditioning will be scored by each judge. The highest accumulated scores for each role will be invited to perform in this year's production. Alternates will also be selected.
- Artistic decisions made by the Milwaukee Ballet Artistic Staff are final and can supercede any of the posted regulations.
- Results will be provided in person and via email later the day of auditions, so rehearsals can begin the next day.
- Artistic staff does not provide audition feedback to individual students.
